

100% organic since 1942.

0% paper starting today!

Finally there's an alternative for *Organic Gardening* subscribers who are concerned about the environmental impact of their print subscription. Now you can switch to the electronic edition of *Organic Gardening* and receive future issues online! You'll get the exact issue you'd receive in the mail while saving resources spent on paper, printing, and shipping. Zinio online magazines is the closest you can get to paper, in an easy-to-read online format. You'll enjoy live links throughout each issue, permanent access to your electronic back issues, the freedom to print only what you need, and a FREE downloadable gift. Give it a try—you can switch back to the print edition at any time.
